

0G SUMMIT DECLARATION

RECOMMENDATIONS FOR THE GLOBAL POLITICAL AGENDA

Space Actors Must Become the Stimulus behind the Political Will for Making Peaceful Uses of Outer Space & Peace Making in Space a Priority on the Global Political Agenda.

1. *Harness* the power of space and the powerful emotion of human spaceflight to unite nations towards innovative space diplomacy
2. *Participate* in 0G PEACE MISSION 2020 to support UNSDG 16: Peace, Justice, Strong Institutions
3. *Secure* State Level Endorsements for 0G PEACE MISSION 2020
4. *Declare* Space as the New Frontier for Peace on Earth
5. *Open* Space to world leaders and peacemakers to utilize it as a sustainable tool for peace making on Earth, at the advent of a NewSpace Age in support of Space2030 and the 2030 UN Sustainable Development Agenda

Drafted & Worked on by the 0G Summit Working Group on the sidelines of the UNGA 2017
